For: A METHOD FOR PERFORMING SOCIAL
COMPUTATION

Group Art Unit: 2785

Examiner: Unknown

Attorney Docket No. 9392-011-999

TRANSMITTAL SHEET FOR PAYMENT OF ADDITIONAL FEES

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

RECEIVED

MAY 23 2000

Pursuant to 37 C.F.R. § 1.28, Applicant requests that the U.S. Patent and Trademark Office remove the designation of small entity status with respect to the above-identified patent application.

It has come to the attention of Applicant and Applicant's attorney that small entity status may have been improperly accorded, without deceptive intent and in good faith.

In the interest of caution, Applicant requests that the status of this case be changed to "large entity". Applicant believes that the following additional fees are due to account for deficiencies in fees already paid under the small entity status:

Action	Date	Original Fee Paid Under Small Entity Status	Additional Fee Due for Large Entity Status
Response to Notice to File Missing Parts	November 17, 1999	445.00	445.00
TOTAL ADDITIONAL FEE DUE			\$ 445.00

Adjustment Date: 05/19/2000 JDOBLES
12/22/1999 ASELLMAN 00000015 161150 09388123
01 FC:201 380.00 CR
02 FC:205 65.00 CR

05/19/2000 JDOBLES 00000056 161150 09388123

01 FC:101 690.00 CH
02 FC:105 130.00 CH

Therefore, Applicant requests that the Assistant Commissioner charge \$445.00, and any additional fees that may be required, to Pennie & Edmonds LLP Deposit Account No. 16-1150, and update the status of this application from small entity to "large entity."

Respectfully submitted,

May 18, 2000

Date

Gregory J. Gonsalves
